**Subject:** South 4 Group Fire: Air Monitoring Data

Hey David,

Can you send an export of all air monitoring results conducted to date, in an excel format. The data will need to go to ATSDR for their health consults, which since our data is all non-detects so far will be quick. I'll have to find out from Adam how frequent the data will need to be sent to ASTDR, if its every reporting period or what.

ATSDR Contact: Young, Patrick (ATSDR/DCHI/CB) [pay9@cdc.gov](mailto:pay9@cdc.gov)

Thanks,
